Rules & Regulations

To experience the **24-hour action-packed Designathon**, we encourage all participants to read the following instructions

- 1 There is a selection process in which we'll evaluate your portfolio & past work (**if any**), and based on that, you will be notified if you are shortlisted.
- 2 Designathon 2023 is an in-person event which will be conducted at Lollypop Design Studio in three cities - Bangalore, Hyderabad and Chennai - from 28-29th April, 2023. (**For 24 hours just eat-design-chill-repeat**)
- 3 Since Designathon is now in three cities, you will be able to participate in your preferred city. If all seats in that city are filled, we will try to accommodate you in your next preferred location! (**Of course, we'll let you know which city you'll ultimately be participating in**)
- 4 All participants must be design students or working professionals with less than a year of experience. (**No boomers please!**)
- 5 Participants are expected to come to the respective city they're participating in at their own expense. After arriving at our studio, we will take care of everything!
- 6 The participants should carry their IDs, so that we know it's you! ***wink***
- 7 We will brief the shortlisted participants about the theme, problem statement and everything else later. (**No need to overload yourself with information now**)
- 8 The winning teams will receive super exciting cash prizes! (**Say yes to your friends for that Goa trip!!!**)
- 9 Contact us in case of any queries: **lollypop.designathon@lollypop.design** (We are here to make your experience an absolute cracker)
- 10 The participants need to carry their laptops. Internet connectivity and required stationery will be provided at our studio.
